2. NSS WING & RED RIBBON CLUB:

This technical campus has been served the community with continuous participation of student volunteers of NSS (Engineering Wing). The Motto of NSS is "Not Me, But You", expresses the essence of democratic living and upholds the need for self-less service. The main theme of NSS activities is to make students understand that their first duty should be, not only to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but also for preparing themselves for final dedication in the service of those on whose back, they are resting. To accomplish this goal, it is sought to arouse the social consciousness of the students and provide them opportunity to work with people round the educational campus creatively and constructively and to put the education they receive to concrete the nation and social use. NSS volunteers of our campus organize the various regular activities like NSS weekly assembly and monthly orientation programme etc. and special activities like Van Mahotsav, NSS Day, Awareness Lecture on "Usage of Swedesi Products", Swachha Bharat Abhiyan, Rashtriya Ekta Diwas, Expert Lecture on "Community Policing", Expert Lecture on "Combating Corruption", Let's Hang Socia, Donation Camp Indian Association for Blind, National Voter Day, Online Competition for Voters, Blood Donation Help Line, Picture-O-Mania, Swami Vivekananda Quiz Competition, Martyrs' Day of Bhagat Singh, SVEEP (Systematic voters' education

2. ISTE STUDENT CHAPTER:

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit making Society. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into Indian Society for Technical Education" in 1968 with a view to enlarge its activities to advance the cause of technical education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Governments are associated with ISTE to provide technical platform to the engineering students to enhance their technical knowledge. The student chapter of ISTE at Beant College of Engineering and Technology, Gurdaspur started in 1999. Since then, the ISTE student chapter has been working steadfastly for inculcating technical ethos amongst the students. In 2005, the student chapter organized technical festival at a grand scale. Since then, the chapter has been organizing technical festivals every year. Almost all the societies and clubs of the college organize various events under the umbrella of ISTE students' chapter. In addition to the technical events, cultural events are also part of these festivals. These technical-fests motivate students to expose their talents with extraordinary flair to enhance their professional skills which leads to their personality development. Technical festival is an event in the calendar of the college for which students eagerly await every year.

4. MUSIC & DRAMTICS CLUB:

Music and Dramatics (MD) activities are the basic needs of one's life. They can enlighten the soul and refresh the mind. This club organizes various activities during the annual function of the college and also participates in different music and dramatics programs held by the other colleges in the nearby location. In combination with studies, these activities play a vital role in polishing a student's persona. Just like sports, music and dramatics activities help a student to provide a break from a loaded study schedule to relax, refresh and to develop and improve any skills in these fields that will always add to a student's overall abilities. Music and Dramatics Club of BCET provides a platform for the students to demonstrate and enhance their skills in various fields of Singing, Instrument playing and Music Composing etc. It also provides students with an opportunity to enhance their event organizing skills. The various dramatics like Skits, Dances, Choreography, Mimicry and Plays etc. are organized by this club during the various occasions.

8. Entrepreneur Development Cell:

The institute has established an Incubation Centre to promote entrepreneurship among the students of the college in this regard, a sensitization session on Entrepreneurship was conducted in the college on October 18, 2011. The main thrust of the session was to sensitize the students regarding the importance of entrepreneurship and opportunities in the liberalized economy of the country. The session was organized by Entrepreneurship development cell of BCET, Gurdaspur, sponsored by Punjab Technical University, Kapurthala. Another area work of incubation centre is to increase the industry institute interaction. This will help students to get first hand information regarding the opportunities and challenges that industry is facing. The center is now planning to establish strengthening institute industry relationship by establishing a business club, which will include budding entrepreneurs, industrialists, faculty and representative of university. This will help in industry institute interaction as well as in fostering entrepreneurship ideas among the students
